

REMARKS

Favorable reconsideration and allowance of this application as presently amended and in light of the following discussion is respectfully requested.

Claims 1, 3, 4, and 6-10 are pending in the present application. Claims 1, 3 and 4 are amended by the present amendment. Claims 2 and 5 have been cancelled.

In the Office Action, dependent claim 5 was indicated as containing allowable subject matter. Although the undersigned disagrees with the various grounds of rejection therein, claim 1 has been amended to include the subject matter of claims 2 and 5 to capture the subject matter that was indicated to be allowable and to place this application in condition for immediate allowance.

Accordingly, in view of the present amendment, the present application is believed to be in condition for allowance and an early and favorable notice to that effect is respectfully requested.

Respectfully submitted,
POTOMAC PATENT GROUP PLLC
